

# AZAM SHOUKAT

## FRONTEND WEB DEVELOPER

I am an web developer seeking a full-time position in the field of Web Development where I can apply my knowledge and skills for continuous improvement.

---

### SKILLS

- HTML and CSS
- JavaScript
- React
- BootStrap

---

### EDUCATION

FSc Pre-Engineering

College: Bismillah Higher Secondary Schools

Bachelor of computer science

Session:| 2021 - 2025

---

### EXPERIENCE

#### FRONTEND WED DEVELOPMENT

I have gained significant expertise in web development, focusing on HTML, CSS, JavaScript, React, and Bootstrap.

Throughout my journey, I have acquired a strong foundation in these technologies and honed my skills to create dynamic and responsive web applications.

Throughout my journey, I have tackled numerous projects, both independently and collaboratively, which have strengthened my problem-solving and teamwork skills.
